COTTON BLOSSOM

Temple High School

Temple, Texas

We, the yearbook staff of

Temple High School, present the

1967 COTTON BLOSSOM

THE MONTHS BEHIND . . .
AND THE YEARS AHEAD

Students of Temple High School, we give you in this 1967 Cotton Blossom, a calendar of events, that you may recall the experiences, both sad and joyful, of the past nine months. Along with these memories we extend good wishes for the future for each of the classes.

Sophomores, as you have the greater part of your high school career ahead, we urge you to make the most of your opportunities. Keep your enthusiasm for high school and nourish your eagerness to learn.

Juniors, you must realize the importance of the coming year. In becoming the new leaders of the school, you will meet more demanding responsibilities, and you will need to be diligent.

Seniors, we hope that you will persevere in your attempts to attain success. We hope that you will achieve the high standards you have set. May the class spirit and loyalty you have felt this past year challenge you to take pride in all that you do.

To accomplish these things you need self-confidence, honesty, and integrity. More important, you must always remember to call upon God for guidance through the coming years.

AND ONE WHO HAS MADE THE PAST MONTHS A SUCCESS

In gratitude for the concern you have shown to our Senior Class, we proudly dedicate this annual to you, Miss Mary Elizabeth Holden. You have been most understanding to us and have worked hard for our Senior interests. We have been encouraged by your informative classes and friendliness to all. We hope that you will realize that your efforts have been truly appreciated.

THE SENIOR CLASS OF 1967

Taking time out from her many activities, among them grading senior research papers, Miss Holden has a short coffee break in the faculty lounge. After all, even teachers need a break every now and then.

Our Alma Mater,
From you we've learned to be
So proud of your traditions,
Your spirit, loyalty.

And for TEMPLE HIGH SCHOOL
March on, all glorious.
And may your colors, Blue and White,

BE E'ER VICTORIOUS.

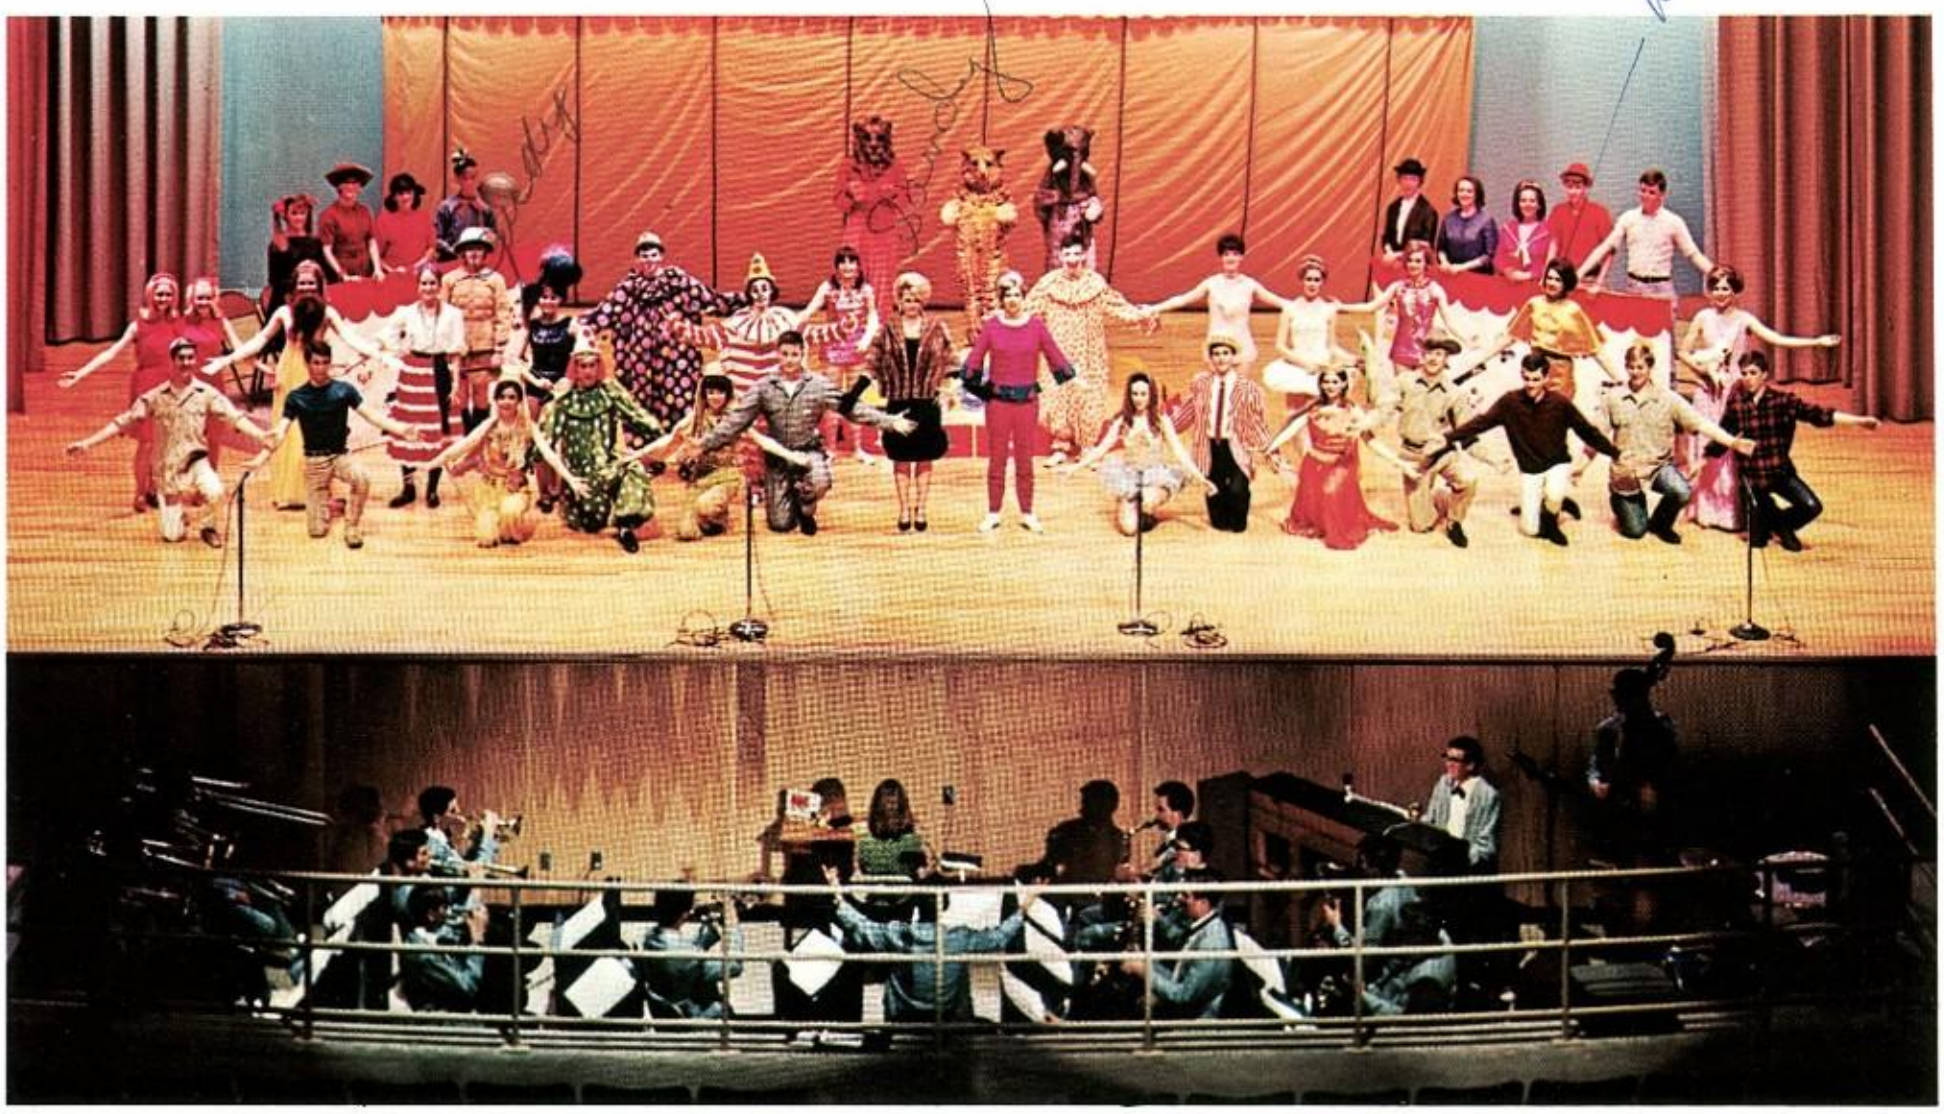
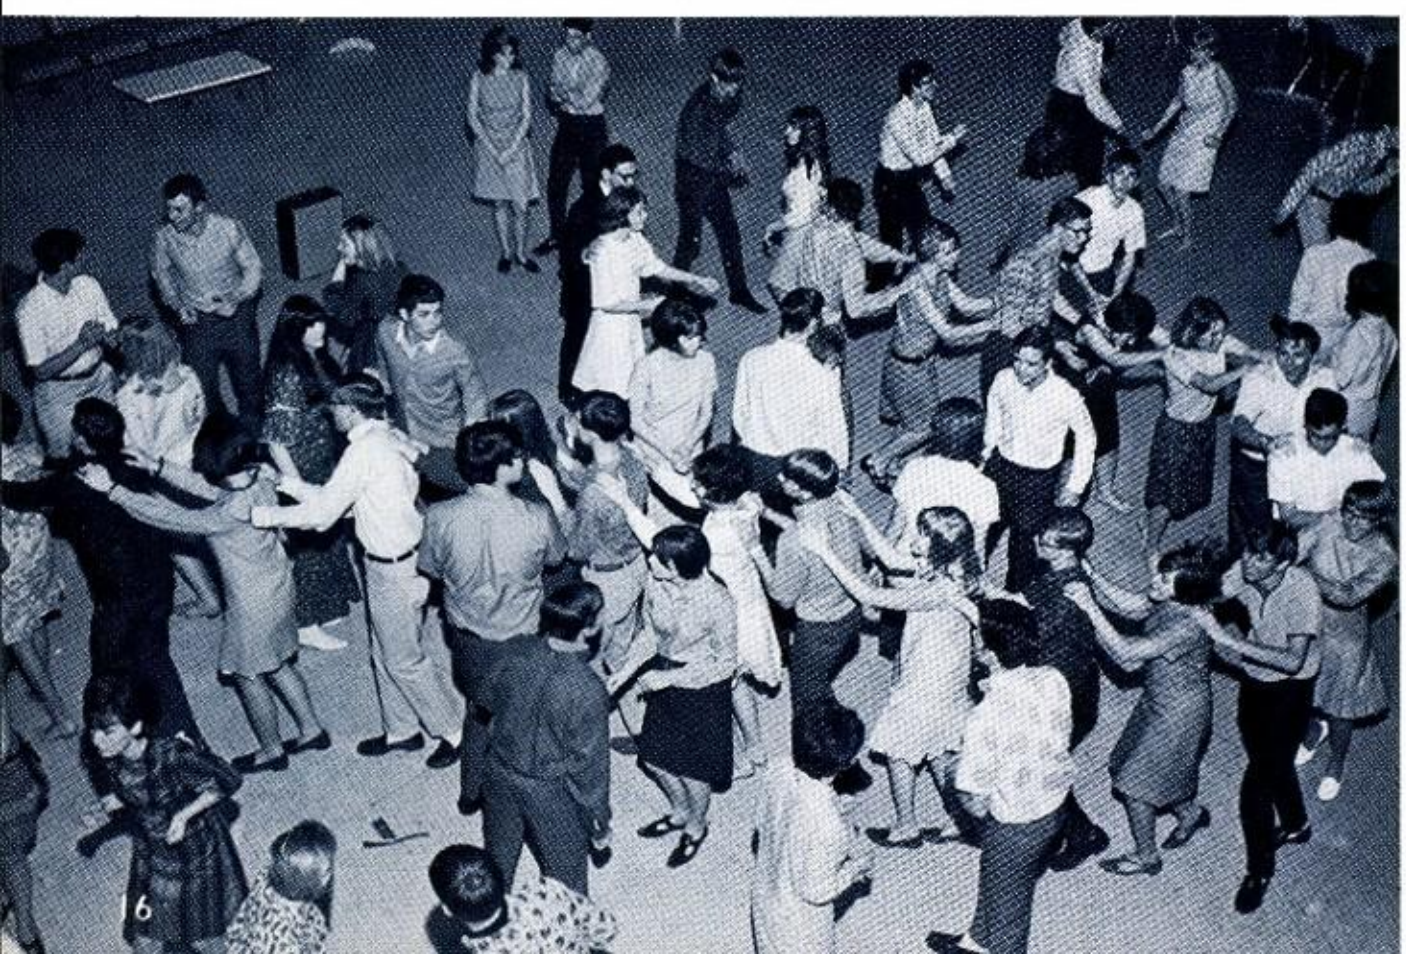
March



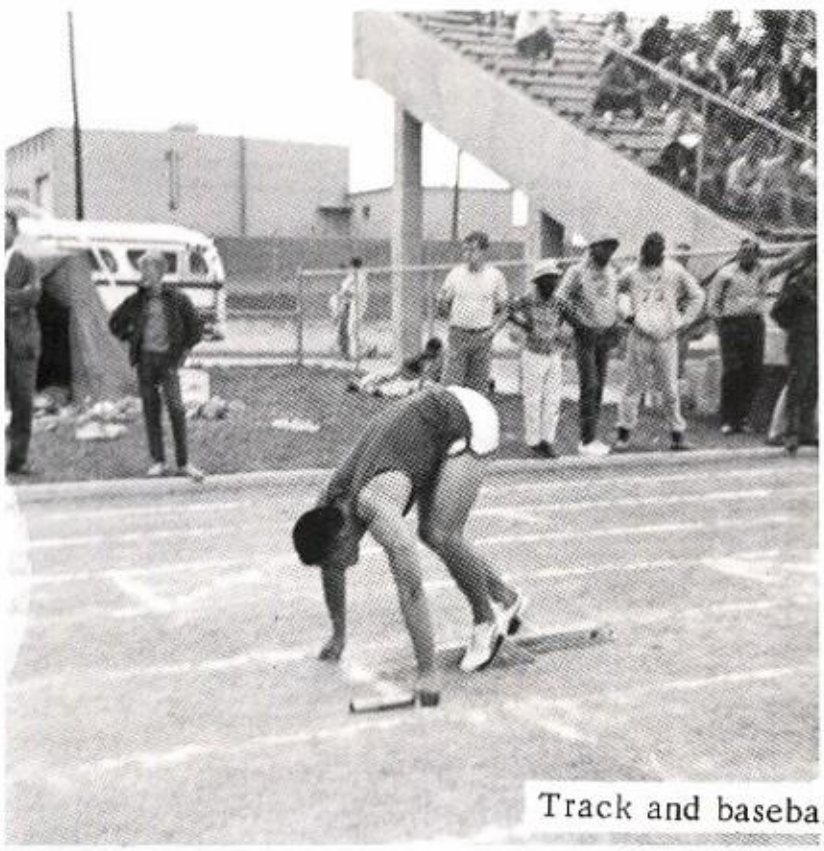
This year's Pigskin Revue "On With the Show," was a great success. The three classes competed for their representatives to be awarded the title of "Mr. and Miss T.H.S." The SENIORS' overwhelming victory broke all previous records set by Pigskin Revue ticket sales. The Juniors came in second, with the Sophomores trailing third.

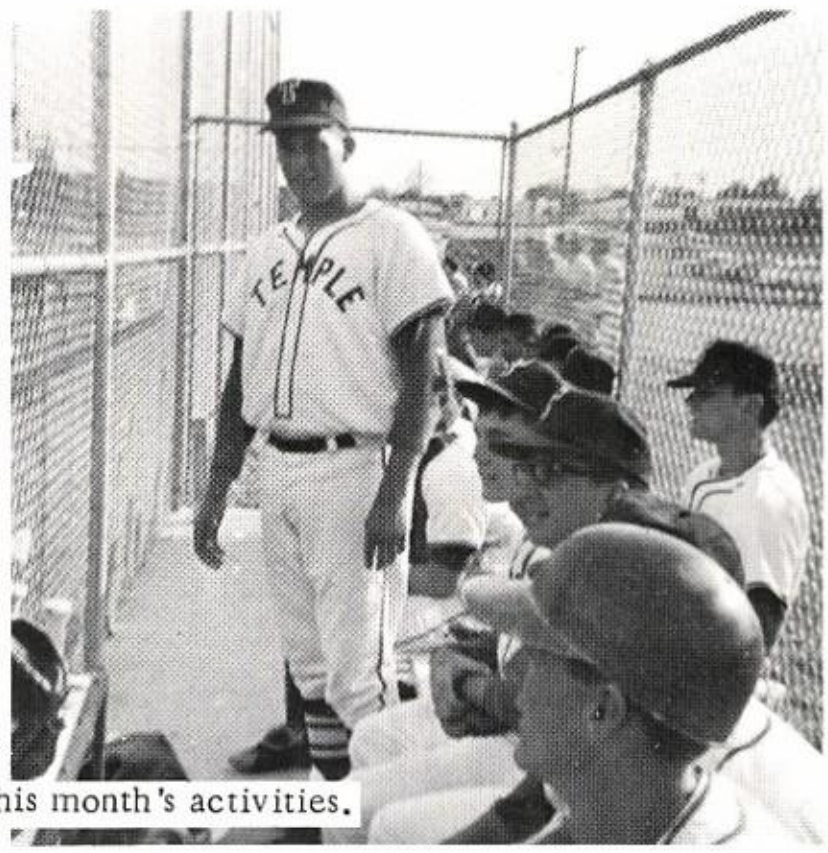


To make money, the German and French clubs overcame language differences and sponsored a dance for the student body.

April

The long awaited prom is only memories now.





Track and baseball monopolize this month's activities.

Dear Andrea,

Well, we finally made it. I thought we'd never make it through all that poo poo!! (high school) Seriously, I think our senior year was great!! This past summer has really been wonderful hasn't it? I'll never forget the little green Duke on the hill. Remember. Was that ever an experience!!! I'm glad we finally got over our "spats" and got to be good friends. Remember all our majorette fights. Of course you were the cause. Well, I'm at a loss for words now so I can quit running off at the mouth (or the pen)

Get it ↑ Ha Ha

Be good & be sweet -
Don't forget Calif.
and don't forget me -

Love ya,
Judy

SONG

"BORN FREE"

Born free,
As free as the wind blows,
As free as the grass grows,
Born free to follow your heart,

Live free,
And beauty surrounds you,
The world still astounds you
Each time you look at a star.

Stay free,
Where no walls divide you,
You're free as a roaring tide,
So there's no need to hide.

Born free,
And life is worth living,
But only worth living,
"Cause you're born free.

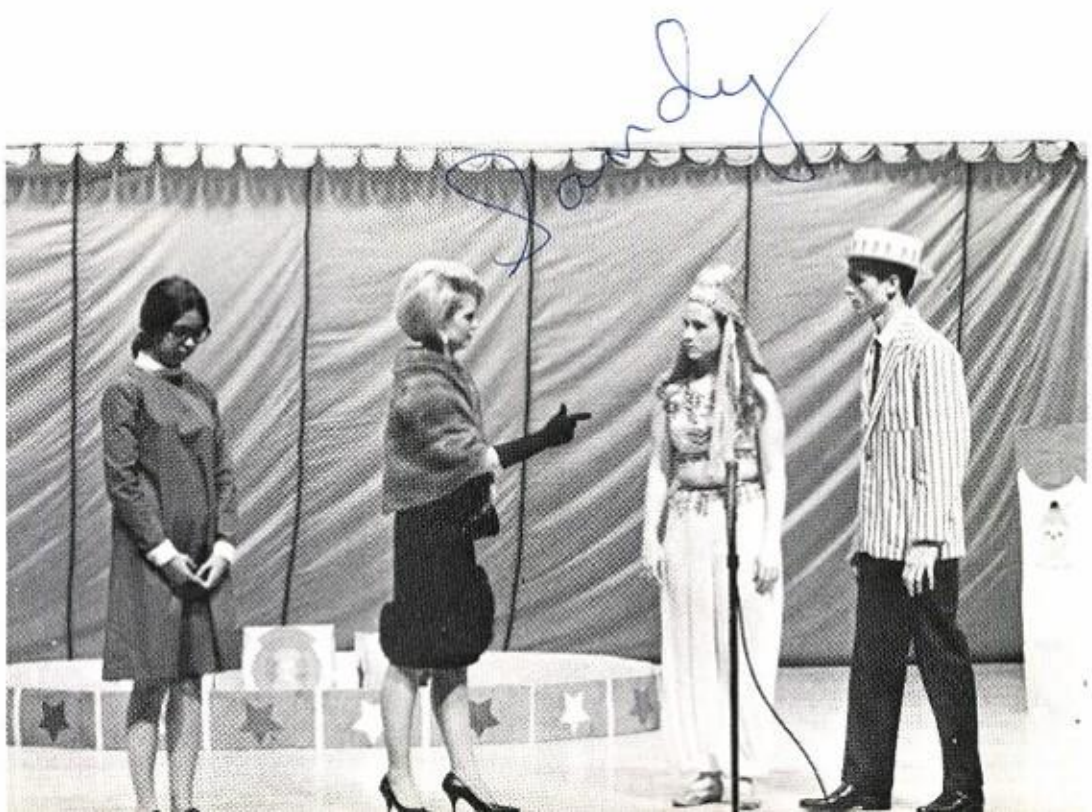
It was never meant to be.....

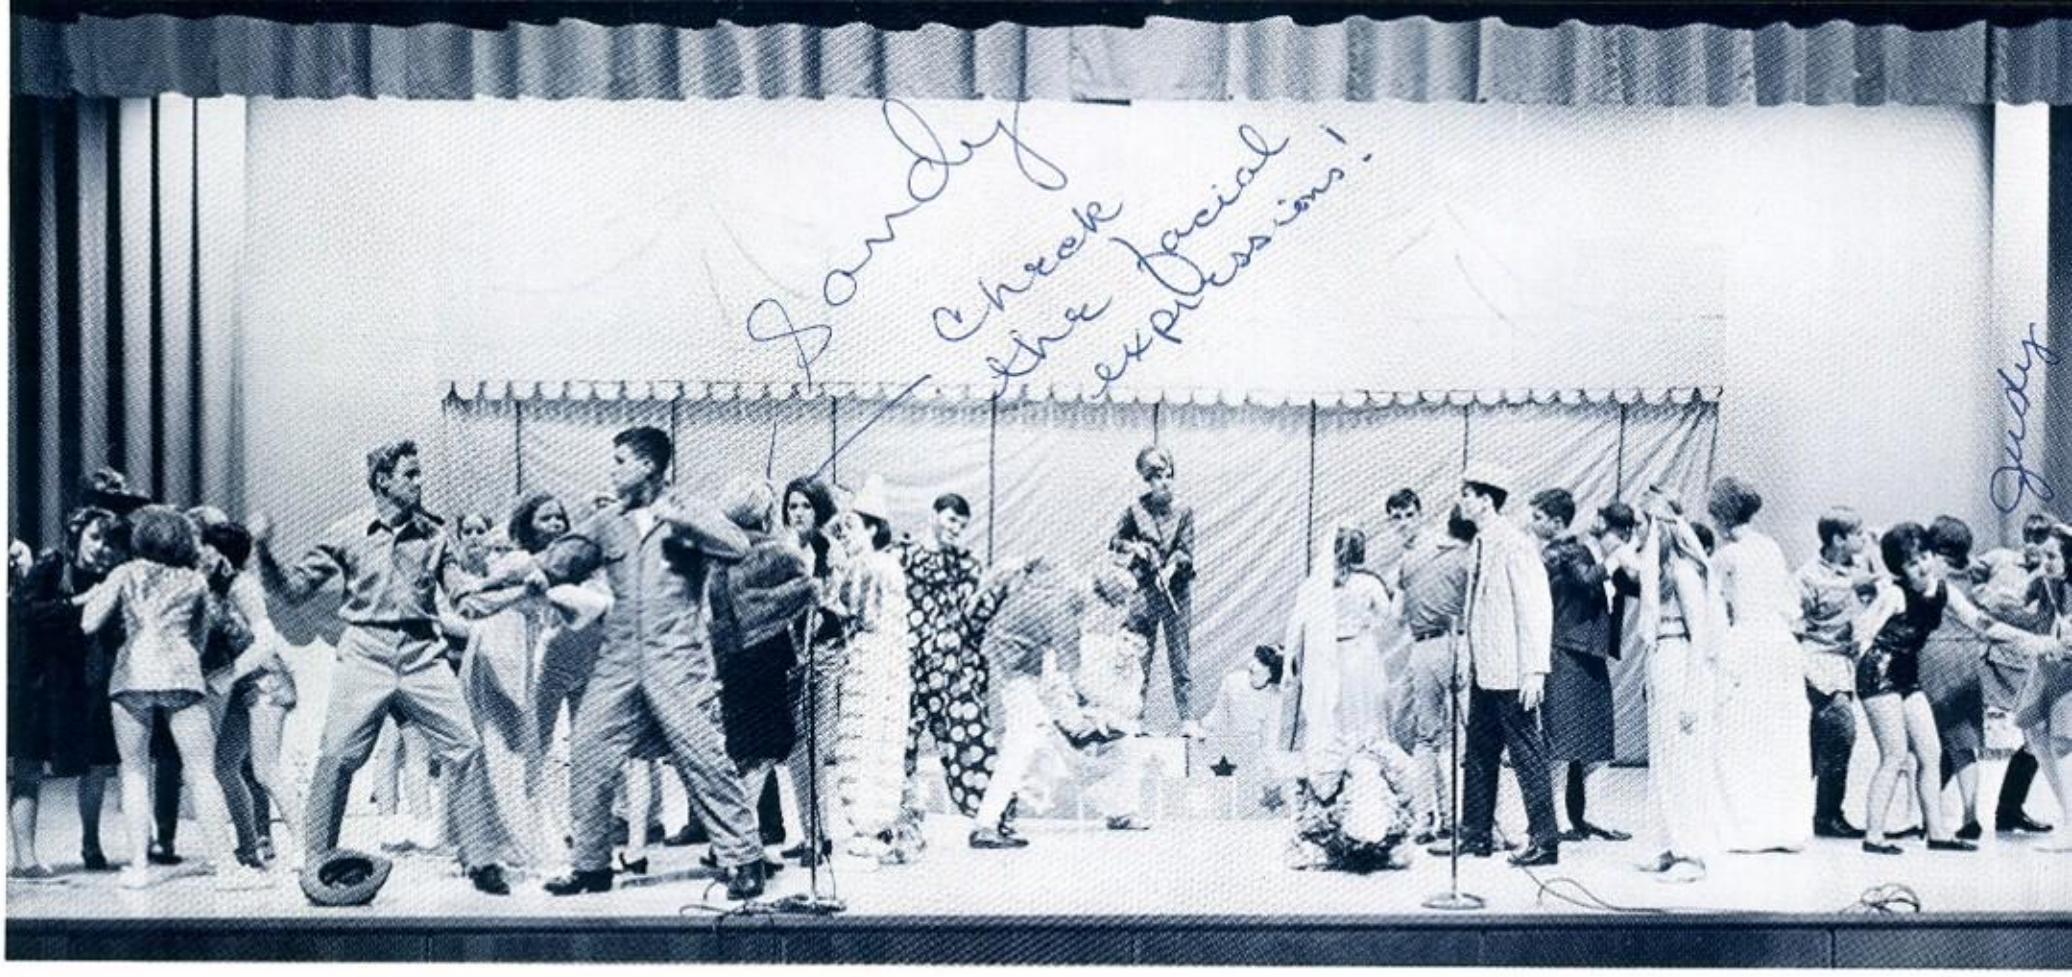
The Pigskin Revue was entitled "On With The Show, " a story about three swindlers and a circus. The crew members worked to keep behind-the-scenes activities running efficiently.

Sidney, watch where you're going!

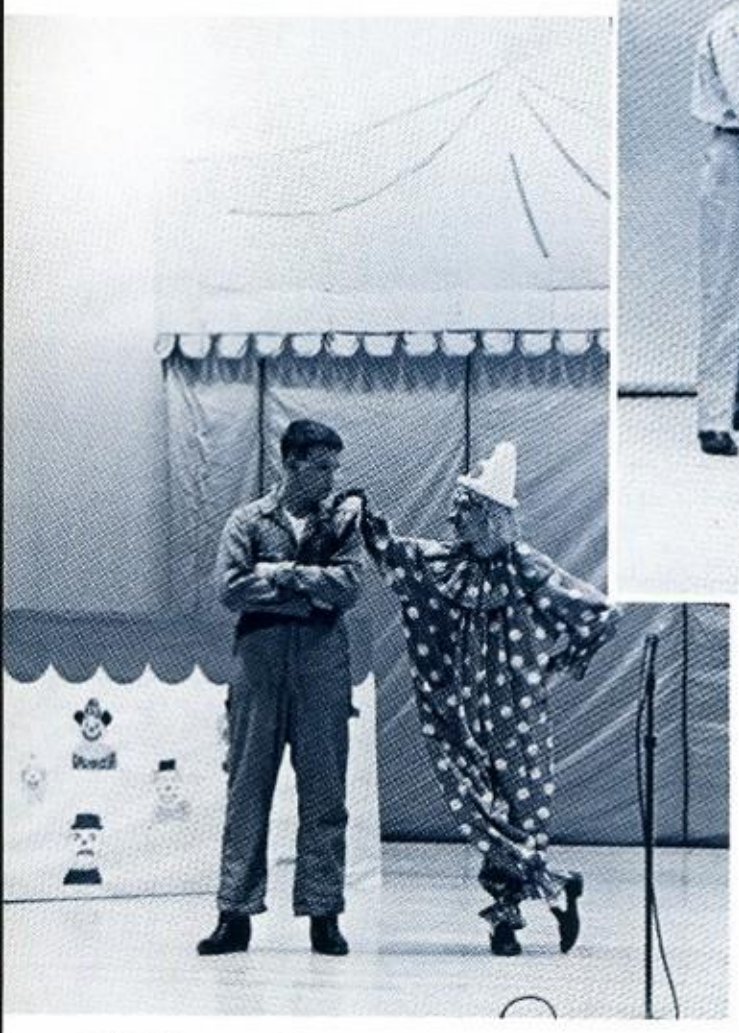
Say, you're nice. Do you like snakes?

I'm Mrs. Midrock, girly, and I'm going to shut down this two-bit circus!





The next person who swings a fist is gonna get a bullet where he won't be able to sit anymore!



I'd like to give you ten thousand dollars, ol' buddy.

You seen anything of these people?

Sad when you're lost in the bottom of the well...

ADVERTISEMENTS

DO IT BETTER *Electrically!*

HEAT-COOL *flamelessly!*

"See, Betty, it's like the man said . . . we just set the thermostat and forget it."

And mother is right. Regardless of how often or how rapidly the outside temperature may change, the flameless electric heat pump **automatically** keeps the inside temperature at the comfort-level you select. The heat pump provides fresh, draft-free air the year 'round . . . pleasant warmth in the winter, delightful coolness in the summer.
